10 Years!

To celebrate Danico's 10th anniversary, we, the Danico team, wanted to give something back to you—the guests who keep walking through our doors and bringing this bar to life year after year—by inviting you to rediscover the flavors that have defined the past decade.

Inside, you'll find 30 cocktails, with 3 cocktails representing each year of Danico's journey. We are also delighted to present this anniversary menu alongside Maison Ferrand, our trusted partner since day one, whose unwavering support has been an essential part of this journey. Thank you for all these years, and here's to many more to come.

Happy anniversary to you, to us,
and to our lovely Danico.
Love,

The Danico Team

Thank you.

First and foremost, thank you to all of our teams, past and present, who have made Danico what it is today: a place of discovery, travel, and impeccable hospitality.

Thank you to our guests, whether from France or from the other side of the world, who were curious enough to walk through Daroco and step into our culinary universe, if only for a few cocktails.

Thank you to our brands and partners for believing in us, for supporting us along this somewhat crazy journey, and for helping us travel the world as well.

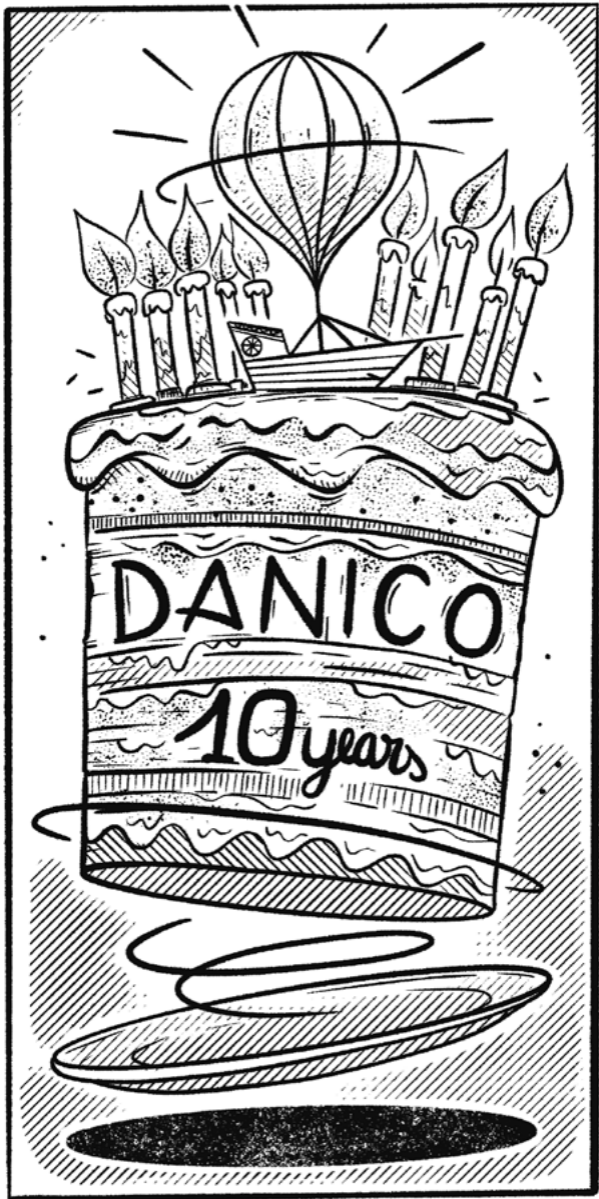

Thank you to Julien and Alex for bringing me back from New York to the beautiful Vivienne Gallery and helping bring this little baby into the world, which is now celebrating its 10th anniversary.

Here's to the next ten years.

Nico

Danico makes the world a better place,
one cocktail, one conversation,
and one friendship at a time.
I'm proud to have been part
of this wonderful human adventure
for the past 10 years.
Congratulations to Nico de Soto
and the entire team.

Alexandre Gabriel,
Master Blender Maison Ferrand
